COMPANY PROFILE — 2026

ABOUT THE COMPANY

A Trusted Maritime & Shipping Services Partner

Hamzeh & Mohammad Investment L.L.C. ("H&M Investment") is an Oman-based corporate group delivering structured maritime and shipping support services to vessel owners and operators. We support the full port call through clearly defined service lines — ship agency, crew logistics, technical & provision supply and related marine services — delivered in line with applicable regulations and industry practice, with an emphasis on documentation control, compliance and transparent coordination. With direct hubs in **Oman, UAE, China, Hong Kong and Singapore** and an approved global partner network, we combine local port expertise with the scale of a coordinated international group.

Our Vision

A trusted regional maritime partner, recognised for reliability, compliance and operational excellence on every port call.

Our Mission

To serve vessel owners with precise, transparent and cost-efficient services — from agency and crew logistics to technical and provision supply.

CORE SERVICES

Ship Agency & Port Call Management

Full Port Agency & Clearance

Complete port-call handling — port & customs clearance, documentation, berth & pilotage coordination, cargo liaison and stakeholder communication.

Protective & Owner's Agency

Independent representation of owners' and charterers' interests, with oversight, reporting and support to the Master and shore personnel.

Bunker Call, Husbandry, Canal Transit & Dry Docking

Coordinated bunker calls, husbandry support, canal-transit assistance and dry-docking liaison with shipyards and local providers.

Technical Supply & Spare Parts

Consolidated group procurement secures competitive pricing on stores and spare parts, delivered through controlled hubs and an approved global network — reliable, timely and cost-efficient.
