A Trusted Maritime & Shipping Services Partner

Hamzeh & Mohammad Investment L.L.C. (“H&M Investment”) is an Oman-based corporate group delivering structured maritime, shipping and industrial support services to vessel owners, operators and commercial stakeholders across the region and beyond.

The organization supports the full lifecycle of a vessel's port call through clearly defined service lines covering ship agency, crew logistics, technical and provision supply, marine services and related operational support — each delivered in accordance with applicable regulations and recognised industry practice. Operations are conducted through established governance frameworks with an emphasis on documentation control, regulatory compliance and transparent coordination with all relevant stakeholders.

With operational offices and direct service hubs in **Oman, the United Arab Emirates (Dubai), Singapore and China**, and an approved network of local partners across additional maritime regions, H&M Investment combines local port expertise with the scale of a coordinated international group.

Our Vision

To be a trusted regional maritime services partner, recognised for reliability, compliance and operational excellence across every port call we handle.

Our Mission

To support vessel owners and operators with precise, transparent and cost-efficient services — from agency and crew logistics to technical and provision supply.

Integrity

Neutral, transparent coordination and honest reporting on every call.

Compliance

Aligned with QHSSE, anti-corruption and applicable port regulations.

Reliability

Consistent execution backed by documentation control and oversight.

Ship Agency & Port Call Management

H&M Investment provides full ship agency and protective agency services, coordinating vessel port calls with precision, compliance and local expertise. From pre-arrival planning to departure clearance, every call is managed to ensure structured, transparent execution across all operational and regulatory requirements.

Full Port Agency **CLEARANCE**

Complete port-call handling including port and customs clearance, documentation, berth and pilotage coordination, cargo operations liaison and stakeholder communication across Oman, UAE, Singapore and China.

Protective & Owner's Agency

Independent representation of owners' and charterers' interests during port calls, with oversight, reporting and transparent coordination in support of the Master and shore personnel.

Bunker Call & Bunker Coordination

Coordinated planning and liaison with suppliers and port authorities for efficient, cost-effective bunker calls, in line with applicable regulations and operational requirements.

Husbandry, Canal Transit & Dry Docking

Husbandry support during port calls, structured canal-transit assistance, and dry-docking coordination with shipyards and local service providers — including scheduling, vendor liaison and technical support.

Crew Logistics & Crew Change

Dedicated crew logistics and crew-change coordination supporting sign-on / sign-off, immigration and travel arrangements, transportation, hotel accommodation and welfare — managed in compliance with port, immigration and operational requirements to keep vessels crewed, compliant and on schedule.

- ◆ Crew sign-on / sign-off coordination
- ◆ Immigration, visa & port formalities
- ◆ Airport transfers & onward travel
- ◆ Hotel accommodation & transport
- ◆ Medical assistance & escort
- ◆ Cash-to-Master (CTM) arrangements

Technical Supply & Spare Parts

Through the Group's procurement strength, H&M Investment delivers meaningful cost efficiencies by consolidating purchasing volumes across a combined fleet to secure competitive pricing on common stores and spare parts. Technical and provision supply are delivered through controlled hubs in Oman, UAE, Singapore and China and an approved global partner network — ensuring reliable, timely and cost-efficient delivery.

- ◆ Technical & operational supplies
- ◆ Technical spare parts (OEM & genuine)
- ◆ Machinery spares
- ◆ Deck & engine stores
- ◆ Electrical & electronic components
- ◆ LSA / FFA equipment & consumables
- ◆ Marine chemicals & cleaning solutions
- ◆ Marine lubricants & sea-store paints
- ◆ Medical stores
- ◆ Cabin stores & galley equipment

Provisions & Bonded Stores

Arrangement and coordination of provisions and bonded food supplies — a full range of fresh, frozen, dry and bonded stores for all vessel types — managed in accordance with vessel requirements, hygiene standards and applicable port procedures.

Global Coverage & Governance

Core operational offices and direct service hubs form the backbone of controlled agency, procurement and supply operations, complemented by an approved supply network and local partners across additional maritime regions.

+ Approved global partner network

Governance & Compliance

Activities are aligned with applicable governance principles, including QHSSE considerations and anti-corruption requirements. Engagement with agents, vendors and service providers is subject to defined evaluation, compliance and oversight processes — supported by structured documentation, reporting and a clearly defined service scope on every engagement.
